## WHERE ARE YOU GOING?

One day a man was waiting for his train when an acquaintance noticed that he was repeatedly searching for something in his pocket. So this acquaintance asked if the gentleman had misplaced his ticket, but the man replied, "It's worse than that, I have forgotten where I am going."

It seems to me that many folks have forgotten where they are going... eternally. They have forgotten their most important appointment and the things that can help them with that particular journey. They put so much time, effort and energy into so many "worldly" things instead of the things that truly matter for their eternal destination. And while our journeys may be different in many ways, they will all end before the presence of the Lord. The apostle Paul wrote in Romans 14:10-12, *"For we shall all stand before the judgment seat of God. ...So then each one of us will give an account of himself before God."*

We spend so much time planning for an education, a vacation, our athletic careers or even retirement. We schedule doctor appointments and buy a variety of insurances. Yet, most folks are utterly unprepared for meeting the Lord.

Jesus told of a man who had great confidence in the wealth he had accumulated; he thought it would take care of all his needs. Yet Jesus said, *"You fool! This very night your soul is required of you: and now who will own what you have prepared? So is the man who stores up treasure for himself, and is not rich toward God."*

Let's all be sure we know where we are going, and that we are prepared for our arrival.

-Gregg
